WORK EXPERIENCE

UI/UX design intern   Dec 2023 - Feb 24

Conducted user interviews, surveys, and usability tests to gather insights and feedback. Analyzed user behavior and needs to inform design decisions and created wireframes.

PROJECTS

Inventory Management Application

Developed a comprehensive Inventory Management Application using Flutter for the frontend and Firebase for the backend, ensuring a seamless and efficient experience for both administrators and sales personnel.

Gnome Window Manager Theming Application

Application allows for extensive theming and customization of the GNOME window manager, enabling users to personalize their workspace to their preferences.

Magazine website with mobile application

Built a website for a magazine using Wordpress and integrated the API to build a mobile app using Flutter.

EDUCATION

CSE (CyberSecurity) at **Ramaiah Institute of Technology** (pursuing)
Diploma in Computer Science at **KPT Govt., Mangalore**   (79%)
10th std at **Nithyadar School, Mangalore**   (78%)
